No

No.

Nope

No

No

No

They're are currently in review for adoption soon

Yes

Yes, encourages ethical AI use

Not yet

We are working on this right now

Use when allowed (students), use for efficiencies

Not really.

None

Yes

Yes, it is very flexible.

Currently under development with a faculty

Yes. Syllabus policies for variety of use cases and

taskforce

changes to our academic integrity policy.

Just a statement about use of AI that must be put in the syllabus

Yes, data security related

Yes, allow to the students to use it.

Ethical AI use is encouraged

Not explicitly, shoehorning into other policies

There is no agreement on what it should be, so we are still working on it. What we have agreed on so far is a statement that will go in all syllabi.

Yes,

Yes

Ethical use, approval of tools, disclosure of use or non use (for classroom)

Some. Faculty have to choose yes/no/sometimes for use of AI in their class.
